CAPABILITY STATEMENT

QWEST CRANE HIRE

Qwest Crane Hire is a family owned and operated company currently servicing targeted tier one customers across Queensland and Western Australia.

In 2017, was originally founded in Yeppoon Queensland following the acquisition of a local crane company and building on that strong local base expanded into the surrounding regions.

By 2020, Qwest had operations servicing Rockhampton, Emerald, Gladstone and Dysart whilst continuing to expand into Kalgoorlie and Leonora in 2021/22 reaffirming the “west” in Qwest.

Our operations have grown to include several Tier one customers including Glencore, Coronado, UGL, QAL, Rio Tinto and IGO. We have concentrated on offering targeted and professional services to the mining sector across coal, gold, bauxite, rare earths and other metals and minerals. Also, specialising in gas, construction and wind projects across Queensland and WA.

Qwest believes the major contributing factors to its success are its team. We pride ourselves in being able to retain our senior leadership team in this increasingly challenging labour market who together with our highly skilled people, provide a professional service meeting targeted market demands required by our customers.

We offer a genuine 24/7 service including a dedicated 24/7 operations hotline 1800CRANEHIRE which is available anywhere, anytime.

This enables us to assist our customers at a moment's notice. We strive to be the business that not only provides cranes but works with our customers to plan safely, with the best results achievable.

Continued growth, desire to provide enhanced packaged services and fill market gaps has encouraged Qwest to expand its range of services to incorporate a specialised projects team, overhead crane and rigging services, heavy haulage services and soon emerging plant hire capability.

VISION

We are committed to becoming the most reputable crane company in the industry with our ability to deliver safe, reliable and professional solutions to our target customers.

VALUES

We will achieve our Vision by building the most professional and benchmarked team with shared values. As a team, we will provide innovative lifting solutions to enable our customers to carry out their lifting requirements safely, cost effectively and reliably. Our focus on identifying and managing risk underpinned by excellence in service provision, will deliver aspirational performance to our shareholders, employees, customers and the community.

Preparation & Performance / / /

With dedication to careful preparation, we can deliver the best results for our customers.

Reliability / / /

We do what we say we will do – our integrity is sacred to us.

Management, Mateship & Motivation / / /

Our leadership team is not content to sit on the sidelines. Our leaders drive our business through relationships, teamwork, integrity and hard work.

Innovation / / /

We are consistently upgrading our fleet with new and improved cranes, logistics and lifting equipment with the latest technology available – unlocking the potential to assist and maximise capability of all of our people resources.

Elimination of all Risk / / /

We are dedicated to keeping our people, our clients and our community safe. Our investment program allows us to invest in the latest software and technology to mitigate risk and conduct our operations safely and with integrity. We aspire to run a business to be proud of.

OUR FLEET, EQUIPMENT & OPERATIONAL CAPABILITY

Qwest has one of the lowest fleet age profiles in the industry with 20% of our fleet being less than 12 months old.

We are committed to consistently refreshing and upgrading our assets to meet ever-changing customer demands and staying ahead of the latest design features in heavy lifting.

We pride ourselves on the service we provide, the quality of equipment and people and the integrity with which we conduct ourselves in everything we do.

Our core values and vision shine through in our approach with how we conduct business, and how we form and grow relationships with our business partners.

The evidence of this can be found in the exponential success and growth we have achieved in the first 5 years of business.

We can proudly say that every customer we have engaged or worked with has committed to further relations by onboarding our company as a preferred provider of the services we offer.

COMMUNITY ENGAGEMENT

Qwest takes pride in its support of the local communities what we engage in. Across the various regions of operation, we support local sporting teams, charities, fund raising efforts, sponsorships and event engagement activities.

Qwest commits to supporting our regional communities and exhaust all efforts to hire, support and upskill local people and surrounding businesses.
